General Comment

I am a retired senior. I was forced into retirement at 62 by the economy and an injury. I have worked 50 years, yet receive no pension ... just Social Security and my IRA. I took the time and effort to learn how to safely trade options and for the past four years have supplemented my income by trading options in my IRA. If you were to take that income away from me, it would truly damage me financially. Please do NOT pass this legislation!
Thank you.
